

Journal #1 The Giver

Thinking about all of the Utopia presentations you saw...

- 1. What did you notice that all of the Utopian societies had in common with each other?**

- 2. If you had the power to create your own Utopian community, what three expectations do you feel would be the MOST important for the people in the community to follow and why?**

Directions:

You will answer all 3 parts to the prompt above in your writer's notebook. Your response must fill at least one full page, be in complete sentences, clear and specific. Be sure to concentrate on quality work.
